

PROSHOP NEWS

August is now upon us and the golf course continues to be in the best condition possible, given the recent heat wave we've had. The hot and long summer that we've been promised for the last 3 years seems to finally be here.

This month, look for many different items in the pro shop to be put on sale! Currently all Men's and Ladies clothing is 25% off!

If you're looking for a new set of (gently used) golf clubs, speak with the shop staff and they'll be able to point you in the right direction for some great deals! Putters are all 15% off, so if you've been humming and hawing about getting a new flat stick, now is the time to jump on it. Look for even more great deals later on in the month!

Lassie Ladies Open

Congratulations to our Lassie Committee for putting on a great tournament!

For results on how our ladies did; please go to our web-site (member side) to view some of the scores.

His & Hers Club Night – August 5th

Don't forget that the next couples Club Night is Friday, August 5th! This time around we'll be playing a 9 hole two-person scramble. Following golf, we've arranged some fantastic entertainment in the form of magician Chris Funk. If you haven't seen his act in person, you'll definitely want to convince your significant other to come out to this event! Tee time is 6 pm and the cost is only \$30 per player! Sign up in the Pro Shop.

Club Championship Weekend

Club Championship weekend is coming up very soon! This year it runs from Friday, August 12th to Sunday, August 14th. The Championship Flight plays all three days, with the net ladies and senior divisions playing on only Saturday and Sunday.

Sign up sheets are in the locker room. If you're planning to be out, please sign up as soon as possible!

Best Ball Winners

Congratulations to Best Ball winners Bob and Brent Jesson! They narrowly squeaked out a victory over Rolf Simon and Gord Campbell over the weekend of July 16th and 17th to take this year's crown.

The crew has been battling the high temperatures that are causing heat stress to the turf. Watering around the clock is in order with our irrigation system. We have spent a lot of hours repairing leaks, addressing plugged heads, straightening sprinklers, and making sure we are getting optimal pressure at the sprinklers. We need a nice rain.

In September and October we will be doing some drainage work to move standing water off the first and second holes. It is hard to think about drainage right now when we are this dry. But we all know ... Rain can come again !!
