Congratulations to the Larters Mundie Putter team who have started this year off very well! As of this writing, they are in second place in the division, only a half point behind Southwood! Keep up the good work gentleman!

Well June is here and the weather trend seems to continue. As soon as the course dries up we get hit by a lot of rain! The course is then wet and this sets us back. We are then faced with the battle of catch up work.

Larters ProAm is June 6th. The boys are working hard to get your course in the best shape possible for the event. We shall see what kind of conditions mother nature throws at us. However, I think I already know... Rain with the chance of rain.

Hopefully this trend leaves us some day. Happy Golfing!
