Policies & Procedures

- **Rain-checks:** Can be used for golf games, golf shop merchandise, golf cart rentals, driving range use, etc. Rain-checks **cannot** be used for any food or beverage items. **Rain-checks have a specific value.** A 9-hole rain-check has a value for 9-holesany time those games are allowed. For example: when playing on another evening after 6:00 p.m. or in a twilight time, those rain-checks will be exchanged for a game (even though the value may be more for a normal twilight or 9-hole time. However, when playing an 18-hole game, the value of the rain-check will simply come off the total leaving a balance due. Larters does not have a 9-hole rate during the day, so you will be charged for an 18-hole game of golf, less the rain-checks used. If you only want to play 9-holes, the pro shop will issue to you **another rain-check** for the holes that were not played.
- **Cart Rental:** The discounted "rate" that is available to all ladies playing on Wednesday nights is only applicable to that particular evening. If you are playing at a different time on our course, then the regular rates would apply.
