

Tournament Information Package

- 2021 -

(complete with **COVID-19** information)

A message to all tournament coordinators

As Larters prepares for its 31st year of operation, we continue to be challenged with times of uncertainty. **COVID-19** cases continue to grow as the pandemic seems to be running rampant (even with numerous restrictions) only to hope that a vaccine will eventually stop this run-away train!

For the 2020 season, we provided a list of guidelines that we felt were necessary to impose to all our tournament participants. (Please see below in **RED**)

- Keep 6 foot distancing as much as possible through-out the day.
- We are asking everyone to leave the flag poles in at all times,
- There are no rakes in the bunkers,
- There are no ball washers on the course and no water containers for drinking water.....all of this to avoid common touching areas between golfers!
- When entering the clubhouse, please sanitize before and after you have been in the clubhouse.
- We are asking all groups to ensure a “pre-registration” process is done, so that larger gatherings and line-ups are avoided as much as possible.
- For lunch service, we are promoting a ‘boxed lunch’ be considered....this way the lunch can be placed on the golfers carts just prior to starting the round and can be enjoyed while they play. (see page 13 for boxed options)
- For large groups, to avoid the typical after golf banquet room gathering, we are suggesting ‘food stations’ on the course during the round....allowing your golfers to enjoy some great food without the risk of a large ‘indoor gathering’ and having to adhere to 6ft distancing. (see page 17 for ‘on course’ food service options)

As we fast forward now to 2021, we are left with ‘predicting’ what the season might look like assuming that the vaccine will slowly begin the healing to this COVID-19 pandemic and allow golf tournaments to execute their events closer to how they have been conducted in earlier years!

- We will predict that the restrictions held upon us (**in red above**) will continue, at least for the first couple of months.
- Tournaments should consider that the earlier in the year they host their tournament, the likelihood of some or all of the restrictions will still be in place.
- As the vaccine is administered to our population, and as infections begin to subside, only then will the Health Authority consider lifting some of the restrictions that are restricting gatherings and allowing closer contact between patrons.

So, as you plan your event for 2021, keep these thoughts in mind in confirming which date you want & how many golfers you plan to invite.

Tournament Rules and Regulations

Dress Code

We ask that all participants, including organizers and volunteers wear the proper golf attire on the golf course and in the clubhouse.

Acceptable Attire

Gentlemen:

- Pants or Shorts
- Jeans that do not have holes or frays
- Shirts must have at minimum, short sleeves and a collar

Ladies:

- Pants, Capri pants, shorts or other designated golf outfits!
- Jeans that do not have holes or frays
- Shirts must have a collar **or** sleeves

Unacceptable Attire

- Sweat pants, track suits, bathing suits, “short” shorts
- Tank tops, muscle shirts, cut-off shirts, halter or strapless tops
- Any other attire the “professional staff” deems inappropriate

Power Carts and Rental Clubs:

Players will be advised of course conditions and obey the cart rules set out on the tournament date.

Unfortunately over the past few years damage to rental equipment has become a problem. Because of this, all tournaments that include rented power carts & or clubs, will be responsible for damage to these items. We will attempt to hold individuals responsible, however, if unsuccessful, the tournament will be held responsible.

Golf Course Etiquette:

Players are asked to:

- repair ball marks, replace divots and rake bunkers after use.
- please respect other golfers and refrain from the use of loud profanities!
- if music is being played, keep it to your own group!

Pace of Play:

Slow play is still the #1 problem at most golf clubs today. In group outings, there is often a mix of “avid golfers” and “novice golfers”, so we have taken the appropriate steps to help avoid slow play.

Our marshals have been instructed to enforce the following rules:

- be **READY** to hit when it is your turn
- **AVOID** taking excessive practice swings
- **KEEP PACE** with the group ahead of you
- **PACE OF PLAY** should not take more than an average of 15 minutes per hole
- **ALL TOURNAMENTS** will play a Texas Scramble format unless authorized by the **Director of Golf**

“Our rules and regulations are in place to help promote an enjoyable golf experience for everyone”

Hole Events

Hole Contests and Sponsor Signage

Hole contest signs will be made available to all tournaments at no extra charge....examples are:

**closest to the hole, *long drive, *longest putt
*putting contests, *straightest drive, *ball in the water**

If sponsor signs are to go out on the golf course, please provide the signs (w/appropriate stands) & hole placement information to the pro shop at least **48 hours** prior to the start of the tournament.

Sponsors on holes may be subject to rental costs if items over and above the normal items are exceeded.

Larters at St. Andrews is not responsible for any signs that are left behind from tournaments. Please ensure that all signage is picked up shortly after the tournament has been completed

Food & alcoholic beverage holes

Your event can have alcoholic beverage companies sponsor a hole, however:

- ♦ Due to MBLL liquor dispensing laws, all alcohol given out to the players must be supplied by Larters at St. Andrews G & CC, unless supplied by the beverage company (see restrictions.....below). Failure to adhere to these regulations will result in immediate closure of the sponsored service
- ♦ Any Liquor or Beer “sampling” on the course provided by a ‘beverage company’ must abide by the provincial rules of conduct, which are:
 - **Beer samples** - must not exceed **4 oz.** (1 per person)
 - **Liquor samples** must not exceed **1 oz.** (1 per person)
 - An alcoholic beverage company **representative** must be **on site** for the whole duration of the tournament, and must be serving the drinks themselves
- ♦ Any ‘outside’ food brought in for luncheons (if allowed) will be subject to a \$5.00 forage (surcharge) per person

Tables, Chairs and Registration Area

Larters has a limited amount of tables and chairs that are designated for on-course events. Your group must specify the amount of tables and chairs required for the day of your event. If Larters is required to bring in additional equipment (such as tents, additional tables, umbrellas etc.) to accommodate the requirements, there will be an additional charge. The registration area is a service that Larters will provide.

Additional Power Carts

Larters will require your group to specify whether additional carts will be needed for the set up of your tournament. Larters at St. Andrews has a limited number of carts and must make other arrangements if additional carts are required. Runner carts will be provided at the same cost as a regular cart rental for your group.

Dear Tournament Coordinator,

Thank you for your interest in having Larters at St. Andrews look after all your tournament needs. As mentioned in the earlier part of your tournament package, with COVID-19 still present for the 2021 season, it may be difficult to know to what degree we can have a banquet of any kind..... Depending when you host your event, may determine what type of restrictions there will be.....

Prior to teeing off, we invite you to use our clubhouse for breakfast, lunch, a light snack or perhaps a small business meeting. While you are on the golf course, we offer food and beverage services through our outside kiosk and mobile beverage carts, along with “Food Stations” which might satisfy the golfers if COVID-19 has still restricted us from gathering in our Banquet room.

Please read through our menu suggestions and ideas to help in your planning process. If you are planning a “special” theme night, let us give you some suggestions of other menu ideas that may not be in this package, we would gladly prepare an alternative menu to suit your requirements.

Larters at St. Andrews looks forward to working with you to make your event a success! Please do not hesitate to call us with any questions or concerns you may have.

Sincerely,

Kendra-Dee De Luca,
Sales & Event Manager
