Policies & Procedures

- **Rain-checks:** Can be used for golf games, golf shop merchandise, golf cart rentals, driving range. Rain-checks cannot be used for food or beverage items or annual league renewals. **Rain-checks have a specific value.** A 9-hole rain-check has a value for 9-holes, (during the league season) any time those games are allowed. For example: when playing on another twilight time or 9 holes during the day when available, those rain-checks will be exchanged for a game (even though the value may be more for a normal twilight or 9-hole time. However, when playing an 18-hole game, the value of the rain-check will redeem off the total leaving a balance due. **Cart Rental:** The league "rate" that is available to all ladies playing on Wednesday nights is only applicable to that particular evening. If you are playing at a different time on our course, then the regular rates would apply.
